Welcome to the Whitehall Area Chamber of Commerce!

The Whitehall Area Chamber of Commerce is the leading catalyst and convener to address the business, social, and civic issues that are critical to the community. We offer programs and services tailored to the unique and changing needs of the community. The Whitehall Area Chamber of Commerce enhances a member's opportunities for success by enabling them to do and achieve more. Building stronger businesses, creating a climate of success and growth, and enhancing the quality of life are ways that we ensure economic vitality and opportunities. Our programs provide avenues for businesses to network and grow. The programs join on-going projects in the fields of community, economic development, business retention and expansion, legislative affairs and education whose sole purpose is to maintain a vibrant community with a strong economic climate.

Membership to the Whitehall Area Chamber of Commerce is open to any business, organization or individual who is interested in improving the economy and making Whitehouse a better place to live. If you are not a member, consider joining the 70 members who believe the Whitehall Area Chamber of Commerce makes a difference in our community and works for a common goal to improve it.

Join the team that is working together to continually make the Whitehall area "the community of choice for businesses and families".
